ANTICIPATE START OF MERCHANTS' TRADING STAMP PLAN BY NOVEMBER 1

Harold Estensen, chairman of the merchant committee of the Campbell Chamber of Commerce, announced at a board of directors meeting held last Tuesday night at the new Chamber of Commerce office on South First Street that he anticipated having the Campbell Coupon Association program under operation by November 1. The program consists of a series of merchants' trading stamps which will be issued to persons at the rate of ten stamps for each dollar purchase in the stores of participating merchants. The stamps would be redeemable in the stores of any participating merchant for any merchandise for sale. Books of approximately 100 stamps must be filled before they are redeemable for merchandise.

The Association will consist of a corporation of merchant stockholders governed by a board of directors. Board will consist of a president, vice-president, two directors, a secretary and legal counsel. A grievance committee will also be set up to handle disputes on improper handling and handing out of stamps.

Distribution of profits, amounts of assessments and funds to be set aside for collective advertising by participating merchants will be arranged by shareholders.

To date, 25 merchants are members of the corporation.

In other business, the directors discussed Christmas street decorations. The board expressed the opinion that unless a considerable improvement could be made over the decorations of last year, the best course to follow would be to abandon them.

The board directed the secretary to contact Harold Jepson, county highway inspector, to see if it would be possible to have substitute curbing placed along the north side of portions of East Campbell Avenue. He was further instructed to determine the possibility of changing the street sign at Minna Street. The name of the street has been changed from Minna to Grant.

President Joaquin Payne appointed a committee of one to contact county supervisor Joseph McKinnon on the advisability of converting certain property south of Campbell Avenue along the creek bed into a recreation park.

Directors also expressed hope that the new Chamber of Commerce office would be completed in approximately 30 days so that an open house celebrating the completion could be held during the Thanksgiving holidays. Tentative plans for a celebration for the opening were also discussed.

Campbell Dance Group Will Host Federation

The Campbelleros, local teen-age folk dancing group, will be host to more than 300 folk dancers from the California Junior Folk Dance Federation at the group's annual convention at the Civic Auditorium in San Jose Sunday afternoon.

More than 33 folk dance groups from all portions of the state will be represented at the convention. Ray Williams, chairman of the local group, is in charge of preparations for the meeting. The Campbelleros were assisted in gaining the use of the hall by the Campbell Rotary Club.

The Federation's council will install new officers prior to the dance session.

ROTARIANS SEE WORLD SERIES

Members of the Campbell Rotary Club saw one of the world series games between the New York Yankees and Giants Monday noon on a television set provided through the courtesy of Frank Accardi.

Speaker for the meeting was Rev. Edwin Bolling, former pastor of the Campbell Methodist Church and now acting as public relations man for the Goodwill Industries Inc. Rev. Bolling told the group of the purpose of the Goodwill organization to provide employment and rehabilitation to handicapped individuals and stated that there were 101 groups in the United States, 7 in Canada, 6 in South America and several in Mexico. "We are giving employment to 75 persons in our San Jose group", he stated. "We have a plant in San Jose to repair and renovate articles received and also a retail store on North Market St."

Harry Todd, owner of Todd Custom Tannery in Santa Clara, will speak to the group next week on the tanning industry.

SERVICE FUND DRIVE TOTALS ARE LOW; APPEAL MADE FOR COOPERATION

Latest totals from the Community Service Drive show that approximately $1600 has been collected in the drive. Eugene W. Barnes, general chairman of the drive, stated that to date, response has not been as good as anticipated. Goal of the drive is $14,000.

"We must remember," Barnes said, "that this drive is to benefit our own children and local organizations. Ninety-nine percent of the money collected in the drive will go directly to the benefiting groups with only a small amount being spent for office supplies and secretarial help."

Barnes emphasized the fact that all the workers are unpaid volunteers and stated that in asking for funds from contributors, they are actually asking to help the people of the community to aid their own children. He asked all persons who live in the Campbell area and work in other localities to consider the local drive first before contributing to other drives in other communities.

Organizations benefiting from the drive this year are the library, Boy Scouts, Girl Scouts, YMCA, Visiting Nurses Association and the Family Service Association.

The drive has been broken down into business and residential solicitations. Residential solicitations have been divided into five districts with a unit coordinator named to head each district.

D. R. HAWKINS RECEIVES CUTS IN AUTO CRASH

Donald Ray Hawkins, 21, 982 Elam Ave., suffered multiple cuts when the car he was driving was involved in a two car crash Sunday at 3 p. m. on the San Jose-Los Gatos Highway approximately 400 feet north of Hamilton. Driver of the other auto was Joseph Benito, 56, of 1387 Hedding St., San Jose.

A Campbell Grammar School bus driven by Campbell Davidson, 763 San Jose-Los Gatos Road, was involved in a crash with an auto driven by Charlotte McLaughlin, 206 Camellia Terrace, Los Gatos, Monday morning at the intersection of Santa Clara-Saratoga Road and Fruitdale Ave. No injuries were reported as a result of the accident.

Four Men Are Held On Charges Of Beating Janitor And Two Others

Two men, Raymond Von Gunden, 19, of San Tomas, and William Reeves, have been charged with battery following a fight in front of the Campbell High school last Friday night in which they and two minors attacked Ed Kling, custodian, Lynn McCulley, 40, of Santa Clara, and his son Leonard McCulley. All three received bruises and cuts from the attack.

Kling, who was the first to be attacked, stated that he was patroling cars parked in front of the high school at approximately 11 p. m. when he was approached by a group of four men. One of the men kicked Kling in the groin and knocked him down and the others started to kick him about the head.

Prior to this, Superintendent L. J. Hill and vice-principal Eggling, had seen the men sparing with Leonard McCulley and had told them to stop. Eggling stated that stopped and he asked McCulley what he was doing in front of the school. McCulley replied that he was waiting for his father to pick him up. Eggling and Hill stayed with the boy until his father arrived and then went back into the school.

McCulley and his father had circled the block when they stated they saw the same men kicking and hitting Kling and left the car to assist the custodian. Kling managed to escape from the group when McCulley and his son came on the scene and ran back into the school for help. He told Eggling and Hill the circumstances and they phoned the sheriff's office. As Hill and Eggling returned to the scene, they saw Constable Lanphear draw up and attempt to place the offenders under arrest. The fight had subsided and as Lanphear was about to make the arrest, one of the four men said, "Lay a hand on me copper and I'll kill you." The others backed him up, repeating the statement.

The arrival of two sheriff's officers prevented the reoccurence of the battle when the four men fled. Officers Gorham and Scott picked up the four later that night. Two of the group have been turned over to the juvenile authority for action and the other two are facing charges of battery.

Ice Cream Store Sold To W. Scoville

Announcement was made this week of the sale of the M&M Ice Cream store to Walter G. Scoville of 141 Giles Way. Grover J. Mintkenbaugh, owner of the business, stated that ill health had forced the sale. He said that he plans to retire for a while before making plans for any future enterprises.

Scoville has been employed at the American Trust Company in Campbell and is married and has two children. He has had previous experience with similar lines of business and stated that he will maintain the same high quality of product which has been present in the business during the past years.

American Legion Entertains Fifty

The American Legion entertained approximately fifty auxiliary women and out of town legionnaires at a potluck dinner held Wednesday night in the Odd Fellows Hall. The evening's entertainment started with dinner at 7:30 and lasted until 9:30.

Following dinner, the group sang four songs in the community style followed by four solo numbers by Dan Knowles. Knowles was accompanied on the piano by Evelyn Jackson.

Chairman Rex Fuller introduced Henry Ramp Jr., Campbell representative for the American Legion Boys' State program. Ramp gave a report on the activities and pointed out that the legion program was helping the younger generation.

The supper meeting was presided over by Louise Fairchild, president of the Auxiliary unit, and A. G. Knowles, commander of the American Legion.

Noticeable during the evening was the number of members attending the meeting in new uniforms.

PTA Will Hold Workshop On Juvenile Problems

Mrs. Clarence Fagalde, director of Public Welfare for the sixth district Parent Teachers' Association, announced this week that members of the district will hold a juvenile protection workshop on October 15 at Schofield Hall in the YMCA building in San Jose. The workshop, first of its kind to deal with problems of juvenile delinquency, is being held to acquaint members of the various PTA units with protection for juveniles and methods of reporting, handling and counseling juvenile delinquents.

Speakers will include members of the sheriff's office, police departments, school departments and juvenile authorities.

Purpose of the workshop is to provide parents and PTA units with information on local community practices of preventative juvenile protection, juvenile protection procedures for delinquents and outlines of best standards for such juvenile protection. Information gathered at the workshop will be passed on to local PTA units for further discussion and action.

W. H. Van Tilborg, Santa Clara County probation officer, will act as chairman of the workshop.

Moreland School Enrolls 600 Pupils

Mrs. Gussie Baker, principal of Moreland School stated this week that enrollment for this year now totals 650 compared to 415 last year. Construction on portions of the new building is reported progressing and the cafeteria is expected to be ready for use within two months. The school has just received an allotment of $1700 from the state for use in purchase of supplementary furniture.

Enrollment in the Cambrian school has climbed from 600 during the 1950-51 session to more than 700 for the 1951-52 year. Construction at the school is progressing according to schedule and D. M. Bagby, principal, expressed the hope that all twelve classes will be ready to move into the new rooms by Christmas.

Orchard City Grange Hits Federal Tax Program At Meeting Tuesday

Herb Shadle, secretary of the Orchard City Grange, attacked the present tax program of the federal government at the Grange meeting held last Tuesday. Quoting from a communication from the United States Chamber of Commerce, Shadle stated that federal taxes now amount to $1,589 for every man, woman and child in the country. "Of course," he stated, "a large portion of this amount goes to national defense but far too much goes for a lot of 'silly' ventures." He cited one example of the government using tax money to experiment with a rattlesnake farm. Continuing to read from the letter, he said, "Whether people own or rent property, they pay a large portion of Federal taxes in many hidden ways." The U. S. Chamber of Commerce recommended a program to eliminate waste.

Four candidates were initiated into the grange and given the obligation by Past State Deputy Carl Ryser. Two new applications for membership were also presented.

The lecture program, under the direction of A. J. Emery, consisted of a number of slides shown by Harry Barnes which he took on a vacation trip into Alaska by the Inside Passage route. Emery announced that a Hallowe'en costume dance will be held October 23, and urged all members to attend.

A meeting of the Home Economics group was announced by Leona Keesling and will be held in the home of Anna Dolfin of 617 Morse Avenue, San Jose.

Volunteer workers were asked to work on the strawberry booth for the opening of the State Grange Convention in San Jose on October 16. The convention, which will be the 79th annual meeting, will be held from October 16 to October 19. Delegates to the convention will be George Shattuck, master of the Orchard City Grange and Mr. and Mrs. Wesley Youngclaus. Mrs. David Rutherford will direct the Pomona Women's choral group which will present several numbers at the convention.

Kiwanis Hear Talk On Hoover Commission

Members of the Campbell Kiwanis heard Bruce Allen of the San Jose Junior Chamber of Commerce speak on the Hoover Commission's economy measures. Allen told the group that while many of the recommendations of the commission have been adopted, several other economy measures have been overlooked.

An appeal was made at the meeting for cooperation in the Community Service Fund Drive. Program chairman for the day was Mark Purmort.

A spokesman for the club stated that reports from delegates to the state convention are expected to be read at the next meeting.

On October 30, the group will join with the Campbell Rotary and Lions Clubs in holding a joint meeting in the Country Woman's Clubhouse. Laurance J. Hill will direct the meeting.

MORELAND PTA TO HEAR SPEAKER

Mrs. Clyde Perrell, dental hygienist, will be the guest speaker at the October 17 meeting of the Moreland Parent-Teachers Association in the Moreland school at 2 p.m. Mrs. K. L. Bitzer will preside over the meeting and Mrs. Jeanne Tiffany will take over the duties of secretary. Child care will be proveded.

Plans Rushed For Campell Harvest Festival Tonight; Marialice Grim Leads Queen Candidate Contestants

Final plans are being rushed for the opening of the Campbell Harvest Festival tonight on the grammar school athletic grounds. The festival, to be held tonight and tomorrow, will include games, pony rides, booths, refreshments, and exhibition dancing.

In the race for Queen of the Harvest Festival, Marialice Grim, queen candidate sponsored by the St. Lucy's Men's Club, has come from last place last week to take the lead with a total of 6326 votes. In second place spot is Marlene Strong, queen candidate sponsored by the American Legion, with 4435 votes and in third place, with a total of 2392 votes, is Beverly Olson, queen candidate sponsored by the Junior Chamber of Commerce. The winning candidate will be crowned tonight by Harold Estensen, chairman of the merchants committee of the Chamber of Commerce, with a crown constructed of flowers by the Campbell Floral Shop. Winning candidate will receive $100 prize.

Votes are awarded to persons making purchases in various participating merchants' stores at the ratio of one vote per dollar. With each dollar purchase, a person is entitled to cast one vote for the candidate of their choice.

A. J. Emery, chairman of the festival committee, warned contestants that all votes must be received by the clerk by 5 p.m. tonight.

A partial list of concessions for the festival includes 12 activities. Groups and clubs participating are Veterans of Foreign Wars (two booths), Orchard City Grange (two booths), American Legion, St. Lucy's Men's Club, Community Service Club, Military Order of Cooties, San Tomas Parent-Teachers Association and the Footlighters. A new feature will be a demonstration of dancing by the Campbelleros, local teen-age folk dancing group. A seven-piece orchestra has been arranged by Ray Williams, chairman of the Campbelleros, and will play for persons wishing to dance. Booths will be arranged around the basketball court with dancing to take place on the courts. Wiring for lights for the festival is being furnished through the Chamber of Commerce. Entrance to the festival grounds is from Winchester Avenue.

A. J. Emery, chairman of the festival committee, stated that he wished to thank all the groups and organizations who have cooperated to make the festival a success. 'In addition," he said, "I wish to extend the thanks of the committee to William C. Henley and the school board of the Campbell Grammar School for the use of the school grounds and all the merchants who have contributed in the festival.

The Harvest Festival is being held under the auspices of the committee for Campbell incorporation in order to raise money needed to guarantee costs of a special election on the issue. Emery emphasized that none of the profits from the festival will be used to foster a political campaign which is in any way connected with the issue of incorporation. "Money from the festival," he said, "will be posted with the county board of supervisors, as prescribed by law, to guarantee the costs of the special election."

Emery issued an invitation to the residents of Campbell and the surrounding territory to attend the festival tonight and tomorrow. "I wish to extend a hearty invitation to all the people of Campbell and the nearby area to attend the festival and enjoy themselves," he said. "No admission will be charged to enter the festival grounds and I am sure that all of us will enter into the spirit of the event and have a good time."

Seventy Persons Attend Mass Meet

Approximately 70 persons attended a mass meeting to discuss the pros and cons of incorporation for the city of Campbell at the high school auditorium last Monday night. Al Smith, contractor, of Emory Ave., spoke for the opposition stating some of his reasons for opposing the move. He told the audience that he had moved away from San Jose and other large cities to escape city administration and wished the area to remain under the jurisdiction of the county. He then cited several reasons for favoring rural type of government over that of urban government.

Leslie Kerr, speaker for the proponents gave a recapitualtion of a series of reports which he has been making for the taxation and revenue sub-committee for the committee for Campbell incorporation. Don Reinohl, member of the boundary committee of the general committee, also spoke for proponents of the issue giving several reasons for favoring incorporation.

A spokesman for the committee for Campbell incorporation said that the meeting served the purpose of giving both opponents and proponents of the issue the chance to discuss the issue publicly.

CAMPBELL GRAMMAR SCHOOL PTA HOLDS YEAR'S FIRST MEET

The traditional "Open House," first meeting of the school year, was called to order by Mrs. Leonard Merritt, president of the Campbell Grammar School Parent-Teacher Association recently. The salute to the flag was let by Jerry Hyde, of Cub Scout Pack 9 here in Campbell. Speeches of welcome were given by Mrs. Merritt and Mrs. Dorothy Royce, principal, who also introduced the teachers to the large group of parents in attendance. After the "Inspirational," read by Mrs. Wayne Lenz, the minutes of the last meeting were read by the secretary, Mrs. Frank Lima. Mrs. Royal Page then gave the treasurer's report. The president asked for the report on the membership drive, which was given by Mrs. Richard Max.

Mrs. Frank Young, Parent-Education chairman, announced the start of a six-week lecture series, "Better Family Relations," to begin Wednesday night, October 10, and to continue for the five succeeding Wednesday nights. It is open to all parents, and the lecturer will be Dr. Angel, with the meeting place at the Adult Education Center in Campbell. Among the subjects to be discussed during the six-week meetings are "Understanding Emotional Growing Pains," "Basic Life-long Affectional Needs," "When and How Should Sex Education Begin." Anyone desiring further information may call Mrs. Young at CYpress 4-9352.

Mrs. Merritt announced that the Campbell Grammar School PTA has been invited by the Campbell High School to an "Open House" on October 17, including cafeteria-style dinner served at a cost of twenty-five or thirty cents, at 6:30 p.m. A tour of the building is included, as well as a panel discussion on "Family Funds," by Mrs. Andreis.

Mrs. Willard Morrell, program chairman, introduced a gaily-costumed group of folk dancers, including Mr. and Mrs. Lloyd Brown, Mr. and Mrs. Ed Gault, Mr. and Mrs. George Stubbe, and directed by Mr. and Mrs. Carl Spencer. The dances included "Tyrolean Dance," "Neopolitan Tarentella," featuring the Carl Spencers, a German dance, and "Der Volgaster."

The speaker of the evening was William C. Henley, Campbell Union Grammar School District Superintendent, who spoke on the planned construction of three or possibly four more schools to ease the overcrowded conditions prevalent at this time. "Not only," he said, "in school housing is the overcrowding obvious, but also in the transportation system. One interesting fact is that in the district there are seven school buses making 51 trips per school day, starting at 7:30 a.m. and not finishing until after 5 p.m."

After the meeting was adjourned by the president, the parents visited the classrooms and met with the individual teachers. Refreshments were served in the cafeteria, and during that time, it was announced that Mrs. Rosamund Sutter's first grade class had received the room prize for having the largest number of parents in attendance.

Country Women To Hold Guest Day October 15

Guest day will be observed Monday, October 15, by members of the Country Women's Club when they convene at 2:30 p.m. in the library building.

Featured attraction of the program will be a book review by Mrs. Claire Loftus of Los Gatos, while Mrs. Willard Morrell, soprano soloist, will present a group of songs accompanied by Mrs. David Rutherford.

Every member is entitled to bring one guest to the club meeting.

St. Lucy's Club Discusses Plans

Members of St. Lucy's Women's Club discussed plans for the coming year at their first meeting of the fall season last Thursday. Plans included a change in the meeting place to the library hall. Also discussed were plans for a parish card party to be held at the high school gymnasium in November.

Following the business meeting, members were served cakes and coffee by club officers.

Society... Personals... Clubs... Organizations...

Mrs. Richard Long Returns From Visit To Ireland

Mrs. Richard Long of Bucknam Street, returned a week ago from a four months visit spent in Ireland. This was Mrs. Long's first visit home since coming to California four and one-half years ago as a war bride of the former First Sgt. Richard Long, who was stationed with the Air Force in the Belfast area during the war. The young couple, who were married here in California, now have a small son, Russell, two and a half years old, who accompanied his mother on the trip back to her native land.

Mrs. Long, who went over and returned on the "Washington," was met by her brothers at Cobh, Eire, and they then drove by car to Belfast. While Mrs. Long was in Eire, her sister Barbara was married and she served as her matron of honor during the ceremony.

Mrs. Long stated that things looked much the same to her as they did when she left, but that prices had gone up a good deal, as they have here. However, she found that most people in Ireland have an erroneous impression of life in the United States, as seen through our motion pictures, which depict everyone living in great big houses, with a perpetual drink in their hands. Mrs. Long stated that in order to provide a clearer picture of American life to others, films showing average family life should be shown.

Modern conveniences are about on a par in both places, but transportation problems are under better control in Ireland than here. New houses, of comparable size to the average home here, are now being built in Ireland at a slightly lower price and with built-in refrigerators.

Food is rationed in Ireland, but the children are provided for very liberally, with free cod liver oil being provided, and orange juice being allotted daily as well as milk being purchased at half price for all children under five years of age. A visitor in Ireland is also provided with a special book, which allows them to purchase certain articles without paying the purchase tax, which in some cases amounts to 33⅓ percent of the purchase price. Free medical care is also provided for visitors, but Mrs. Long did not have to take advantage of it during her stay, although her little boy broke out with a rash on the return trip and was confined to sick bay for four days.

However, the real treat of the trip was the return to California and Mrs. Long states that there just isn't any place nicer than "home," which now means Santa Clara Valley. She is planning to take out her first citizenship papers in the near future. Mr. Long is presently employed with a wholesale plumbing house in San Jose.

GARDEN CLUB VIEWS FILM ON BEGONIAS

Members of the Campbell Garden Club saw films on begonias and fuschias at their meeting last week. Commentator for the film was Mr. B. Meyers and the program was arranged through the courtesy of the California Spray Chemical Co.

Decorations of the meeting place followed a begonia and fuschia theme. New members inducted into the club were Mesdames Jerry Vick, Charles F. Smith, Oliver C. Jensen, L. C. Schaper and O. L. Tunstall.

Meeting place for the October 17 gathering was announced as the home of Mrs. J. N. Corvello on the Los Gatos-Almaden Road. Those wishing transportation were asked to meet at the library building at 1:30 p.m.

Rules covering the fall flower show to be held on November 7 were also announced. This year's show will feature Chrysanthemums only. In charge of the show, which will be held in the library hall, are Mrs. L. Brown and Mrs. R. Davis.

Rules state that the hall will be open on the morning of the show to receive entries and that all entries must be placed in the hands of the judge not later than 10:30 a.m.; exhibits must be in place for judging by 11 a. m. and no one will be allowed in the hall during the judging except the co-chairmen and a clerk; no entry may be removed before 9 p.m. closing except by permission of the committee; specimen cut flowers are to be exhibited in containers provided by the committee; when possible, label specimens with variety name; trueness to type, for the variety is one of the guides for judging; in all specimen exhibits, perfection of growth and proper maturity, rather than great size alone, is important; because of the limited work space, artistic arrangements should be as nearly ready as possible to put in place when brought to the hall; first, second and third place awards will be made in each class unless there are fewer than three entries in a given class, in which case the class will not be judged; one entry in each division for each exhibitor.

Prizes will consist of blue, red and white ribbons for first, second and third prizes respectively. A purple rosette will be awarded for the most outstanding entry in the show.

Sixty Women Are Carried Away In 'Mass Kidnapping'

A mass "kidnapping" of prospective members of the Campbell Union High School Parent-Teacher Association marked the morning of October 4 as groups of women descended on the homes of more than 60 unsuspecting housewives to carry them off to homes of five different members for breakfast and a get-acquainted party. All those attending were forced to "come as they were" and meetings were filled with sleepy-eyed women clothed in house coats and work clothes. The breakfasts lasted for approximately one hour and took place in five Campbell area homes.

Hostesses for the breakfasts were Mesdames Charles Mitchell, C. E. Andres, Jr., LBen Howard, Laurance Hill and George Robertson.

The October general meeting of the PTA will be held at 6:30 p.m. in the high school cafeteria on October 17. Following dinner, a tour of the new portions of the buildings will be conducted. Introduction of faculty members and a discussion on "Family Fun," by President Mrs. John Cantoni were given.

Deacons To Help Congregational Church Service

A special order of the day will be presented Sunday, October 14, at the Congregational Church of Campbell, with the deacons of the church assisting during the service.

On October 17, a potluck dinner will be held at the church at 6:30 p.m. with all church families and friends invited to attend. Following the supper, a business meeting will be held at which time the budget for the year will be presented and adopted by the church membership.

San Tomas PTA To See Film On Family Problems

Dr. Clarence Angel, specialist in family life problems, will show the film "Preface to Life," at the evening meeting of the San Tomas PTA October 18 in the San Tomas school. Mrs. Herbert Raymond, program chairman, announced that the meeting will start at 7:30 p.m.

Following the film, a discussion of "Understanding Emotional Growing Pains" will be held.

Dr. Angel's film is a parallel story of two boys about 12 years of age and shows how each is treated by his family and friends during the period of infancy and childhood. Dr. Angel holds a doctor's degree in counseling and guidance and has specialized in family problems.

Mrs. James T. Barnett, president of the San Tomas PTA, stated that parents, teachers and friends were invited to the meeting. Child care will be provided during the meeting.

Refreshments will be served at 9 p.m. according to Mrs. Ted Balgooyen, hospitality chairman.

Children's Guild To Host Speaker

Miss Ruth Bradshaw, occupational therapist from the Chandler Tripp school will speak to members of the Children's Service Guild on October 15 at 1 p.m. in the Nurse's Hall in the County Hospital grounds.

A report of the nominating committee will also be presented at the meeting. All members have been urged to attend the meeting. A spokesman for the group stated that the public was invited to attend.

TO HOLD DINNER

The Ladies' Guild of the Church of the Good Shepherd will hold a smorgasbord dinner on October 19 in the American Legion Hall on Isabel Drive, San Jose. Profits from the dinner will go into the church's building fund. Chairman of the dinner is Mrs. C. L. Nelson. Reservations may be made by calling Mrs. Glen Stevens at CYpress 2-3620 or Mrs. J. Brennan at Campbell 4165 before October 15.

Mr. and Mrs. J. C. HUMMEL and twin sons, GARY and JERRY and Mr. R. B. HUMMEL drove to Lodi Tuesday for a business trip.

Home And School Club Plans Year's Activity

The Home and School Club of the Cambrian school discussed plans for their Christmas Bazaar and Carnival at their first meeting of the year held Thursday afternoon.

Program for the day was under the direction of the youth groups of the area, with Brownies, 4-H groups and Girl Scouts participating. D. M. Bagby, principal of the Cambrian school, gave a talk on school problems.

A schedule of the program for the new year was announced plus a program by Vera Johnson, school nurse, to be presented at the November meeting. The December meeting will consist of a Christmas program to be presented by the kindergarten through the third grade students. January program will be a presentation of a polio drive theme by fifth graders.

All meetings start at 2 p.m., and child care is provided for mothers who bring their children.

Reception Honors Evelyn Steinkamp

A reception was held recently in the Rincon Avenue home of Mrs. J. W. Knowles in honor of Evelyn Ruth Steinkamp of Fresno. Miss Steinkamp is the bride-to-be of Robert Knwoles, son of Mr. and Mrs. J. W. Knowles.

The reception was attended Miss Steinkamp and her mother, Mrs. C. H. Steinkamp, and Los Gatos friends of the couple. Wedding date is set for Sunday, October 14, in the Emanuel Lutheran Church of Fresno at 4:30 p.m.

Guests were served refreshments of home-made cake and ice cream and punch in the Knowles' dahlia garden.

Robert Knowles is a graduate of Campbell high school and enlisted in the U. S. Navy four years ago. At present he holds the rate of electronics technician, first class. Miss Steinkamp is a graduate of Fresno Junior College and attended the University of California as a junior last year. The couple plan to reside in San Diego folowing the wedding.

WSCS Groups Announce Meets

The following dates have been announced for the Church Circles of the Methodist Church Women's Society of Christian Service.

Circle I and Circle VI will meet together at 12:30 p.m. for a pot luck luncheon at the church parlors, Thursday, October 18.

Circle II will meet with Mrs. Guy Gibbs in the parish house, afternoon meeting, Thursday, October 18.

Circle III will meet at the home of Mrs. Guy Farley, afternoon meeting, Thursday, October 18.

Circle IV will meet Thursday evening, October 18, at the home of Mrs. Rudy Golden.

Circle V will meet Tuesday evening, October 16, at the home of Mrs. Robert Swan.

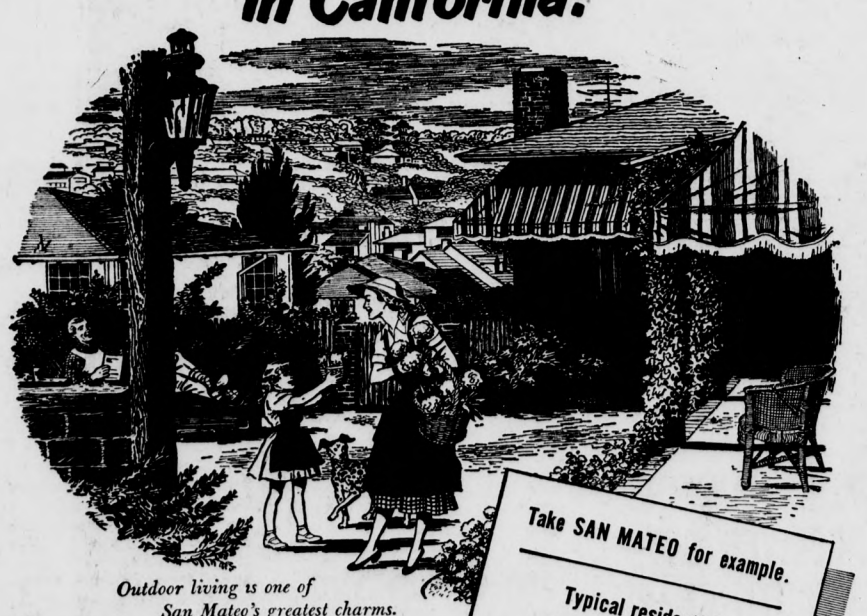
Gas and electricity are cheap in California!



Outdoor living is one of San Mateo's greatest charms.

Take SAN MATEO for example.

Typical residential gas and electric bill

In San Mateo . . . $8.40

In all U.S. cities of similar size* . . . $16.37

*Average for all 15 U.S. cities outside California between 40,000 and 42,000 population. Based on a typical use of 100 KWH and 100 therms of gas per month.

P. G. and E. home rates are far below U.S. average!

The cost of living has nearly doubled since 1940, but P. G. and E. domestic rates are actually lower than 11 years ago! Nothing else you buy costs so little—does so much. Let P. G. and E.'s bargain gas and electricity do more of your work, bring you more of life's comforts.

Campbell Register

Mrs. R. B. EDWARDS, 744 E. Campbell avenue, left Tuesday for a month's visit with friends and relatives in various parts of Kansas. At present she is staying with her sister and brother-in-law, Dr. and Mrs. J. W. ADVER or Atchison, Kansas. She plans to make a trip to the Ozarks before returning home by way of San Diego where she will visit her brother, ELMER WADE. The Edwards, who have resided in Campbell for the last three years, are former residents of Oakland where they owned "Wade's Doughnut Shop," the recipe of which was perfected by Elmer Wade.

Mrs. CLIFF MYERS of North Hollywood visited last week with her father and brother, ORRIE GRIZZLE and VERLE GRIZZLE. Mrs. Meyers is the head hostess at "Steers for Steaks," famous Hollywood restaurant that serves steaks exclusively.

Col. and Mrs. JAMES McBRIDE of 640 S. Winchester, had as their dinner guests last Sunday their nephew and niece, Mr. and Mrs. ARTHUR JACOBS and Mr. and Mrs. RONALD RONCOLLI and their three-weeks-old son, RONALD, JR.

Mrs. ROLLAND HUGHES of Gazelle, is visiting this week with her daughters, Mrs. RAY CLANCY of Rincon street and Mrs. RICHARD VAN ROSSEM of Casey Road. Mrs. Hughes formerly resided in Campbell before moving to the Mt. Shasta district.

T/S and Mrs. CALVIN YOUNG and her small son, RONALD WESLEY, recently spent the weekend with Mrs. Young's sister and brother-in-law, Mr. and Mrs. H. E. GREESON, Bucknam street. The Youngs just returned from two years in Okinawa where T/S Young was stationed with an anti-aircraft unit. They admitted missing the fresh fruits and vegetables while over there and were delighted with the abundance of Santa Clara county fruits. Young Ronald, on his first shopping tour outside an army post, expressed amazement at the "lovely commissaries here in the States."

Mrs. REX FULLER of San Tomas road was the hostess Monday night when members of the Past Presidents Parley, Campbell Auxiliary Unit, meet for their first gathering. Present at the meeting were Mrs. GUY SMITH, Mrs. RAY WOOD, Mrs. WILLIAM BURCH, Mrs. JOHN MORLEY, Mrs. REX KABER and the current president, Mrs. L. C. FAIRCHILD and the hostess, Mrs. Fuller.

Eleven children were baptized Sunday by Rev. CORWIN OLDS in the Congregational church of Campbell. They included PATRICIA ANNE, daughter of Mr. and Mrs. DON BAUGHMAN; KAREN ELAINE, daughter of Mr. and Mrs. PAUL FRANK; BARBARA ANN, JUDITH LEE and WILLIAM CHARLES, children of Mr. and Mrs. C. M. CLEVER; CAROLE ANNE, GEORGE WALTER and MARY HELEN, children of Mr. and Mrs. WALTER GIPE; JEAN McGRUER, daughter of Mr. and Mrs. DALE HANSON; JANET LOUISE, daughter of Mr. and Mrs. HUGH NELSON, JR., and PETER MARK, son of Dr. and Mrs. ELDEN NICKEL of San Francisco. A reception of members also marked the World Wide Communion service which was held during the day.

Stone Church To Have Festival

Mrs. Hibbard H. Moore, 153 White Oaks Avenue, who is the president of the Guild for The Stone Church in Willow Glen, has issued an invitation to the Campbell people to attend a colorful Harvest Festival on Friday, October 19. The affair will be held in the recreation hall of the church on Lincoln Avenue and Clark Way, from 1 until 10:30 p.m.,

Handmade gifts, home made cakes and jellies and candy will be for sale at the booths. A baked ham dinner to be served will attract many local folks. Games and contests for children will be held in the new basement.

Juanita O'Bannon New Rebekah

Miss Juanita O'Bannon was initiated at a recent meeting of the Ada Rebekah Lodge in the Campbell IOOF Hall. Mrs. Ira Wyse, noble grand, and Mrs. DuBois Rhine, vice-grand, presided over the ceremonies.

Following the business meeting, members were entertained with games and refreshments were served by members of the Stitching Club. Announcement was made of a rummage sale to be held by the Stitching Club October 1 in the IOOF Hall.

GEN CARL SPAATZ, wartime Air Force chief, in Oakland—"To all intents and purposes, there is no such thing as a second best air force. It is a question of having the best in the world—or of facing destruction."

Moreland Meeting To Plan School Safety Program

Citizens of the Moreland school area have called a meeting this morning to discuss legal procedures for the promotion of greater safety along the highways in the area.. County safety officials and school officials will discuss steps with the group.

The move was prompted by the death of John Schallich, Moreland school pupil, last Thursday morning. Shallich had missed the school bus and had decided to walk to school when he was struck by an auto.

Other developments prompted by the death of the nine-year-old boy included action by the county board of supervisors on a request by the Moreland PTA for assignment of a crossing guard at Payne and Saratoga Avenues.

The action followed a letter to the board of supervisors by Mrs. Lois D. Suffield, chairman of the sixth district PTA safety committee, which cited the case of John Schallich and pointed out five reasons for requesting a crossing guard.

Reasons were increased population, shortage of school buses, lack of sidewalks, increased flow and speed of traffic near the school and the present lack of traffic patrols.

Gov. Declares Oct. 8 Week As PTA Membership Week

Governor Warren has declared the week of October 8 as Parent-Teacher Association membership week. There is much to be done, and much will be accomplished if there is strong "Three Way Partnership—Parent, Teacher, Youth" group.

Parents—fathers as well as mothers—will be needed to promote the welfare of the children and youth in the home, school, church and community.

Parents can also come to understand the objectives of the school and teachers by attending the meetings and visiting with the school personnel .

Mrs. Gillmeister, president, and Mrs. Marcotte, membership chairman, point out that the group can be no stronger than the members in it.

AAUW OPENS NEW YEAR

The local branch of the American Association of University Women will open its new year at the first general meeting Saturday, October 13, at 2:00 o'clock at Montalvo. New chairmen and officers will be introduced at this meeting which will be followed by a dramatic reading presented by Mrs. Reginald Loftus. Following the program, tea will be served by a committee headed by Miss Agnes Wood and Mrs. Fred B. Little. This meeting is one of the three yearly meetings which are held on Saturdays and all prospective members are cordially invited

PETITIONS CIRCULATED FOR QUITO PARK AREA LIGHTING DISTRICT

Petitions calling for the formation of a lighting district for the Quito Park-Workman area were being circulated this week. The petition calls for the erection of approximately 70 lights in a district bounded by Saratoga Avenue to the Southern Pacific Railroad tracks on the west and south, on the east by Quto Road and on the north by the northerly boundaries of the El Quito tract.

The move, under the direction of Mrs. P. L. Drew, 12611 Bucknall Avenue, and Mrs. Guy Boltz, 12621 Bucknall, would create a tax-supported lighting district for the residents of the area. Petitions must be signed by the majority of home owners in the area desiring a lighting district before submission to the county board of supervisors for approval. There are 231 homes in the Quito Park tract and approximately 55 occupied residences in the Workman tract.

Following submission of petitions to the board of supervisors, the board calls a protest hearing at which time opponents to the issue, if any, may voice their reasons for disapproval of the district. Should the supervisors approve the district, the measure would then be sent to the State Board of Equalization for entry on the tax rolls. If the board of equalization receives the request before February, 1952, the earliest time in which lights could be in operation would be July 1, 1952.

Leonard Crokite, Senior Street Lighting Engineer for the PG&E, stated that boundaries were formed such a way as to exclude the ranches in the area. Additional lights could be erected as the need is determined and other areas might annex to the district.

Mrs. P. L. Drew, one of the sponsors of the move, and a petition circulator, stated petitions for the move were approximately half filled.

JOE DiMAGGIO—"I have always felt that when my time comes to quit it must be while the Yanks are on top and I can still walk up to the plate under my own power."

SERVICES HELD FOR MORELAND SCHOOL CHILD

Funeral services were held Saturday afternoon for John Eugene Schallich, Moreland school pupil who lost his life in a traffic accident last week. The nine-year-old son of Mr. and Mrs. Henry Schallich, 12500 Paseo Cerro, Quito Park, was hit by a car last Thursday morning as he was on his way to school. Reports from state Highway Patrol Officer Clifford Gerlach, who investigated the accident, showed that the youngster had missed the school bus and had decided to walk to school when he was struck by an auto dirven by Margaret Kramer. Schallich had been walking north on the Saratoga-Santa Clara Road toward the school when he was hit while apparently trying to cross the highway about a tenth of a mile south of the school. The driver of the car was not held.

Services were held Saturday from the Krug Memorial Chapel, in Campbell with interment in Santa Clara City Cemetery.

To Initiate Two

Carol Brach and Leilani Johnson will become members of Bethel 174 of the International Order of Job's Daughters at the Saturday night meeting of that group in the Odd Fellows Hall. Honored Queen Patsy Ervin will preside over the ceremony.

At a recent meeting, line officers advanced one chair and the present Honored Queen served as marshall. Plans were made at this meeting for the annual Go-To-Church Sunday to be held on October 21. The group will be joined by the San Jose Bethel 129 on that date.

NEWCOMERS

A boy, Dinnies Jay, was born to Mr. and Mrs. Jay C. Bowden, 31 Page St., Campbell, on October 1 in O'Connor Hospital.

A girl, Kathleen Denise, was born to Mr. and Mrs. George R. Gray, P. O. Box 501, Campbell, on September 19 in O'Connor Hospital.

A girl, Jeanne Marie, was born to Mr. and Mrs. John M. Chargin, 105 Memory Lane, on September 17 in O'Connor Hospital.

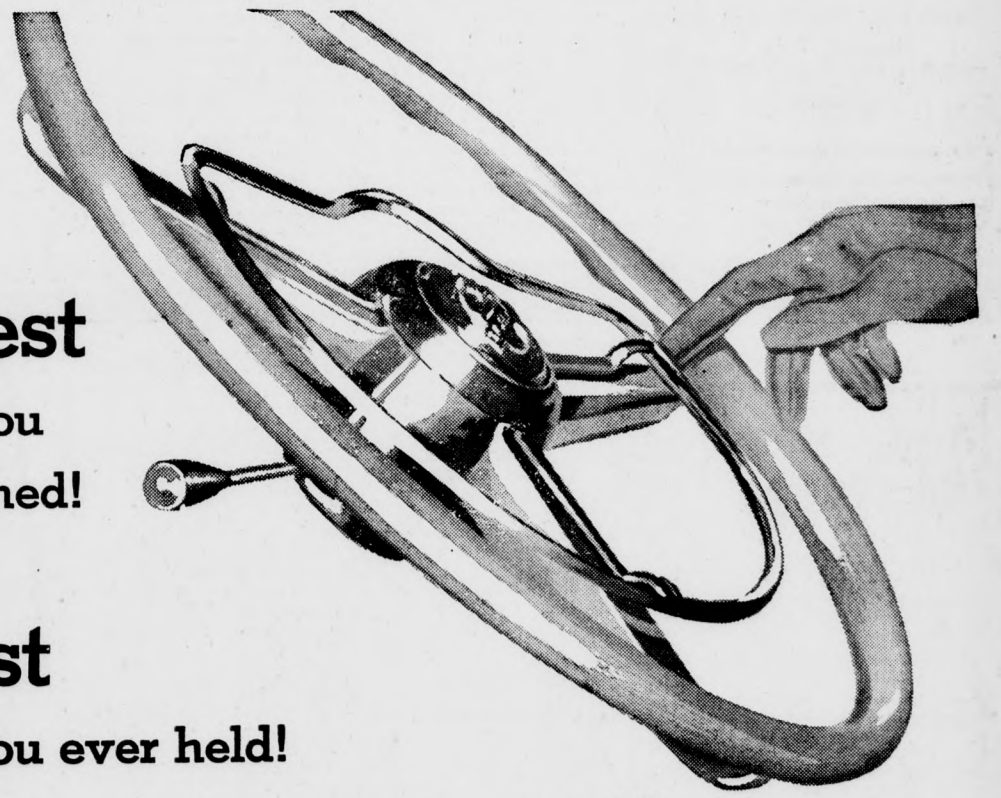
Year In And Year Out You'll Do Well With the Hartford



Easiest wheel you ever turned!

Safest wheel you ever held!

Come try it yourself . . .

Chrysler's new Hydraguide Power Steering!

Chrysler this year introduces the first power steering ever offered on an American passenger car. Many owners tell us it is the greatest advance in car driving since the self-starter! To a person who hasn't tried it, it is actually impossible to describe what a difference it makes. Driving becomes a new and wonderful experience. *At your touch on the wheel, hydraulic power instantly provides four-fifths of the energy needed to steer the car.* Gone is all sense of tug, strain, tension. In its place you find a wonderful sense of absolute front wheel control with almost no effort on your part. Hydraguide is regular equipment on Crown Imperials, optional at extra cost on other 8-cylinder models. Whatever car you're driving now, we invite you to . . .

Come TRY Chrysler Hydraguide . . .
First power steering ever offered on an American passenger car!

Come TRY Chrysler FirePower . . .
180 Horsepower, finest and most powerful passenger car engine on America's highways today!

Come TRY Chrysler Power Braking . . .
Power from the engine helps apply the brakes . . . cuts foot pressure required as much as two-thirds!

NEW EASE! No more whirling or twirling, tugging and straining. The littlest lady you know can actually park the biggest Chrysler with her thumb and one finger on the wheel . . . drive all day with new freedom from arm-and-shoulder fatigue!

NEW CONTROL! Hydraguide gives your hands on the wheel a new feeling of complete command at any speed. In city traffic . . . on awkward driveways . . . in snug-fitting garage entrances . . . you never felt such steering control in any car before!

NEW SAFETY! Even off the road onto a soft shoulder, Hydraguide helps keep your car steady and true with almost no effort . . . takes the jolt and strain out of driving in ruts, snow, or sand . . . makes steering many times safer than ever before!

DRIVE TO COLLECT CLOTHING FOR NEEDY KOREAN INHABITANTS NOW ON

"Clothing for the needy in Korea," is the appeal being made during the next week by the churches of Campbell who are sponsoring the drive to provide clean, warm clothing for the unfortunate war victims of Korea. Winter is coming on and it is estimated that approximately half of the present civilian population of Korea, which has already been decimated by the ravages of conflict, will die of hunger and cold before the end of the cold winter, if the Christians of the world do not band together to help the innocent people whose only mistake has been to live at the scene of the conflict between democracy and communism.

Barrels are being placed in various places in Campbell, and all persons having clothing to donate to this worthy cause are urged to place them in the barrels before the end of the drive October 21. Part of the clothing collected will be distributed through the Church World Service to the Christian people in Korea, and the other half will be sent through The American Relief for Korea, which is nationwide and financed by the Rockfeller Foundation which distributes clothing through civic channels.

All clothing is needed, but particularly that which is warm and in good repair, as no needles, thread, buttons or other mending materials are available in Korea. However, it was stressed by Mrs. J. T. Barnett, that any clothing needing repair should also be donated as a repairing committee is being set up to replace necessary buttons and so on. The only articles not needed by Koreans include high-heeled shoes and ladies' hats.

Barrels are now in place at the following locations: Fields Store, Nelson Grain & Supply, M and M Ice Cream, Cheerio Corners, Busack's Variety in San Tomas and at a central location in Cambrian Park. Also the various churches in Campbell have barrels available for the placement of clothing.

Promotion Lack In Area Is Cited In Prune Industry

The prune industry's failure 'o promote domestic prune consumption during the last ten years may well cost growers $9 million or more this season, it was declared today by R. A. McArthur, Cupertino grower and chairman of the California Prune Program Committee.

In explanation, he pointed out that an aggressive industry sales promotion would at least have maintained per capita consumption of prunes at the prewar levels of 1.8 pounds instead of the 1.1 pounds for postwar years. On the other hand, it could have increased consumption. In either case, he said, the industry would not now be burdened by a 20,000 ton carryover and it could reasonably expect to dispose of this year's 180,000 ton crop.

Instead, a 25 percent set-aside of the 1951 crop has been necessary to adjust the salable supply of prunes to the present level of domestic consumption, plus a limited export demand.

The food industry is highly competitive, he explained, and producers and manufacturers of most foods support their products with advertising and merchandising programs. The food distributors, wholesale and retail, have come to expect and depend upon this support to enable them to maintain sales volume, and they are not inclined to push those products which lack such support.

McArthur pointed out that aggressive trade support of prunes, which industry sales promotion would have insured, plus greater consumer interest would have resulted in considerably greater demand. Improved demand, he declared, would certainly be reflected both in a larger volume of the prunes going into consumption and a more satisfactory level of prices to growers.

He urged that growers take immediate steps to prevent a reoccurrence of the present field situation by signing assents to the Amended State Marketing Order for Dried Prunes. Provision is made in this program for both trade promotion and consumer education. Such a program would be financed by an assessment on growers of not to exceed $2.00 per ton; however, due to the lateness of the season, no assessment will be levied on prune growers this year, if this program is made effective. Deadline for mailing assents is October 31.

PRUNE SALES PROGRAM STARTS THIS WEEK

The Farm Bureau sponsored drive to secure grower assent to the proposed prune sales stimulation program got off to a good start in Santa Clara County this week, Chairman Robert A. McArthur, Cupertino grower and industry leader, reported today.

Farm Bureau members, supplied with lists of prune growers who have not yet signed assents to the Amended State Marketing Order for Dried Prunes, began a grower-to-grower canvass. Over four-fifths of the number of growers required to make the program operative have already sent in their signed assents to the State Bureau of Markets.

McArthur said that growers interviewed in the present drive discloses that many of them have not been conscious at all of the factors which have caused prunes to fall behind in consumer use. Consumers have not lost their taste for prunes, he explained, but their attention has been drawn away from prunes by the aggressive and continuous advertising and sales promotion campaigns being carried on for citrus juices and other prepared fruit products suitable for breakfast use.

"We have got to attract consumer attention to prunes again," he declared, "and I believe we can do it effectively without spending millions on such a program because we have a product which is particularly adapted to the needs of today. Prunes are highly desirable because of their unusual health values and their economy, but these advantages must be called frequently to the attention of housewives. Most of them are looking for a tasty food that will cut a few pennies from the cost of the day's food bill, particularly if it is in the protective food category."

He added that failure to make a united industry effort at this time to stimulate consumer demand for prunes will surely be followed by further decreases in consumption. Declining demand can only result in declining returns to growers for their fruit, he said.

The proposed marketing order makes provision for trade promotion, merchandising, and advertising directed both at the trade and consumers. The program would be financed by an assessment of not to exceed $2 per ton on growers and a like assessment on handlers. As a result of the lateness of this season, no assessment would be levied this year should the program be made effective.

The deadline for filing grower assents to the marketing order is October 31.

Colonial newspapers were the mainstay of the movement for independence.

ANTIDOTE FOR COMMUNISM IN THE ORIENT

That the majority of this world's people are on a near-starvation diet throughout their lives is incomprehensible to the average American. It is a fact that helped to turn China into the hands of the Communists, and is at this moment rendering India dangerously susceptible to Communist influence. Promises of Utopia, no matter how false, have a tremendous appeal to any abysmally poor, hungry people.

Dr. Raymond W. Miller, one of our own California farmers and now advisor to the Food and Agricultural Organization of the United Nations, on returning from his most recent visit to the Orient, told a San Francisco audience that the most effective means of combatting Communism in that area of "poverty by the billion" is not to pour money into great projects but to do a few simple things that will enable these people, 90 percent of whom are farmers, to materially increase their food production.

FOOD DEPENDS ON SIMPLE PLOW

What would make the average American farmer happier than to learn that he could double his crop production merely by purchasing a new plow? Yet Dr. Miller reports that this is the situation in food deficient India and other oriental countries. Replacement of the customary wooden stick used as a plow, by a plow such as was first used in the United States about 1830 will do the trick.

Miller told how several missionaries, of different churches, cooperated in introducing to the Hindu farmer a modern steel turning plow. The old wooden plow required five or six passes to accomplish a job which could be better done by one run with the steel plow. With the latter, production was raised by 400 percent.

BULLOCKCS VS. TRACTORS

All this was done without change in motive power. Dr. Miller firmly believes that the bullock is a fixture for a long time to come in these countries. It is adequate for the small four- or five-acre oriental farm. Moreover, lack of fuel supplies, repair parts, mechanical knowledge, and highways all will prevent mechanization.

OF RICE AND SEED

Another spectacular example comes from Formosa where, as throughout most of the Orient, rice is the staple in the diet. There the Chinese Nationalist Government, cooperating with the United Nations and missionary groups, has worked out a system of getting superior rice seed into the hands of the farmer. The government undertakes to store the farmer's seed which he normally holds out for planting, but instead of returning the same kind of seed, it puts the farmer's seed into the market, replacing it with an improved variety of seed. At planting time the farmer receives and plants the improved seed and finds his yield per acre doubled. This will go a long way toward solving Asia's perpetual problem of famine.

SIMPLE SOLUTION IS BEST

Dr. Miller reported that in areas where such steps have been taken —measures which give the people more than a starvation diet and afford an opportunity to own a few material possessions—it was very difficult to find any Communist followers.

Communism in Asia can be more readily licked by helping the Orientals to help themselves than by "building a four-lane highway for a man who doesn't even have shoes."

Mills Alumnae To Have Barbecue

South American pictures and American barbecued steak dinner will be featured at the October meeting for Mills Alumnae in this area, their husbands, and other guests when they gather at the Blossom Hill Road of Mr. and Mrs. Harlan B. Herbert in Los Gatos on Thursday, October 11.

Rymund B. Wurlitzer of San Mateo will show colored slides and other curios collected during an extensive tour of South America in 1950 with Mrs. Wurlitzer and other members of his family. The Wurlitzers traveled by sea and air for several months while making a circle tour visiting most of the countries of South America. Mr. Wurlitzer is the father-in-law of the chairman of the local Mills group, Mrs. Rymund P. Wurlitzer of San Jose.

The barbecue steak dinner will be served between six and seven p.m. by the hosts and members of the executive committee, Messrs. and Mesdames Earl Sells and Rymund Wurlitzer of San Jose, Ed Place of Los Gatos, and Walter Byron of Sunnyvale. Reservations may be made by return postcards or by phoning Mrs. Wurlitzer or Mrs. Herbert. Dinner will cost slightly more than one dollar per person. Any alumna of Mills College who does not receive an invitation by mail is urged to make a phone reservation. The Herberts' home is located on the southwest corner of the intersection of Blossom Hill Road and Union Avenue. Their phone number is ELgato 4-5853.

LIONS GET TWO NEW MEMBERS

Herb Brash and Joseph Tiknor were inducted into the Campbell Lions Club last Tuesday night. Dave Tripiano, district chairman, answered questions from members on the club. District Governor Les Olsen was guest of the club.

Blood Bank Gets Forty-two Pints

A total of forty two pints of blood was received by the Mobile Red Cross Blood Bank during its visit to Campbell last Thursday afternoon. Local officials, who were fearing a small turnout, expressed satisfaction with the total collected.

A spokesman for the group stated that the success of the visit was due largely to the efforts of the Community Women's Service Club in containing prospective donors. "Without the cooperation of this organization, wewould never have reached the total of 42 pints donated." The spokesman also stated that he wished to thank the Woman's Canteen group who served coffee and refreshments to donors.

Attempts will be made to have the receiving hours of the unit lengthened until 7 p.m. during the next visit so as to eliminate any congestion between 5 and 6 p. m. when most of the donors arrive from their place of work.

Newcomers

A girl, Esperanza Gloria, was born to Mr. and Mrs. Jesus Juarez of Route 1, Box 278 Campbell on October 4 in Santa Clara County Hospital.

A boy, Michael Lewis, was born to Mr. and Mrs. Edsel H. Brown, on 772 Normandy Drive, September 27 in O'Connor Hospital.

A girl, Susan Grace, was born to Mr. and Mrs. Delwyn Charles Hack, 672 Lucot Way, Campbell, on October 2 in O'Connor Hospital.

BPWC Acts To Have Crosswalk On Campbell Ave.

The Campbell Business and Professional Women acted Wednesday night to have a crosswalk placed on Campbell Avenue between the bus depot and the shopping center across the street. A committee headed by Mae Graves, health and safety chairman, was directed to confer with the county board of supervisors concerning the advisability of the move. The committee was also directed to confer with school officials on reports that children of the high school and grammar school were not obeying traffic signals and commands of the traffic officer on duty at the intersection of Campbell Avenue and Winchester Road.

Alice Schmidt, chairman of the Red Cross committee, gave a report on donations given to the Veterans Hospital in Palo Alto. She stated that veterans are in need of clothing, luggage, pipes, playing cards and fresh fruit. Airplane and boat models of the solid type are also needed for rehabilitation programs.

The national chapter report stated that a bust of Susan B. Anthony will be placed in the Hall of Fame.

In other business, the club: elected Winifred Goodell, first president of the club, as an honorary member, and made plans to continue dinner meetings of the club with women of the Congregational Church serving.

Dorothy Ellis presided at the meeting.

County Disease Rate Increases

One case of tuberculosis in the Campbell area was reported in the county health dept. during the week ending September 22. Total number of cases reported throughout the county during the same period was three.

Total number of diseases reported in the county showed an increase to 29 as compared with 18 for the previous week.

Chickenpox and gonorrhea with 6 cases each were the most common diseases reported. Five cases of polio of which 3 were in the San Jose rural area, 1 in 'he Palo Alto rural area, and 1 in the Santa Clara rural area were reported. Other diseases reported include 4 cases of syphilis, 3 cases of infectious hepatitis, and single cases of mumps and German measles.

QUITO CIVIC GROUP HOLDS SECOND MEET

A temporary chairman and vice-chairman of the El Quito Park Club were appointed at the second meeting of that organization last Thursday in the home Mrs. Guy Boltze of 12621 Bucknall Road. Mrs. Guy Boltze was named chairman and Mrs. Nellie Batchel of 12649 Paseo Olives was named vice-chairman. Members discussed methods of raising money for their first project, a club fund.

A spokesman for the group emphasized that no permanent officers have been elected and that official formation of the club is being delayed until additional members have signified their willingness to join the group. She also stated that the organization is seeking cooperation from fathers of the area and are holding their next meeting during the evening so that a greater percentage of the men of the area may have an opportunity to attend.

Purpose of the club is to stimulate interest in the Quito Park homes and provide recreational facilities for children of the area. Mrs. Jane Hendon, 18564 Paseo Tierra, who was instrumental in the formation of the group, stated that she hoped that a greater community spirit and civic consciousness would grow from the club. Approximately 35 persons attended the last meeting.

The next meeting will be held in the home of Mrs. C. E. Edwards, 18581 Paseo Olives, on October 15 at 8 p.m. Men of the area have been urged to attend.

PTA VARIETY SHOW PLANNED

A PTA Variety Show, 'One Darn Thing After Another," will be presented in the High School auditorium on October 19 at 8 p. m., K. N. Wallace announced this week. The show will consist of two parts; the first part including standard variety show performances and the second part consisting of a production of "Show Boat".

The first part of the show will include a skit by teachers, chorus line, singers, dancers, jokes, piano playing and several short comedy skits.

Leads for "Show Boat", second half of the show, will be Ripple Langdon as Magnolia Hawks, Bob Adolfo and Gaylord Ravenal, Carol Bohnet as Julie, and George Nelson as Captain Andy. K. N. Wallaec will narrate the production and will act as master of ceremonies for the whole event.

Bank Closed Today — Columbus Day

The American Trust Company bank will be closed today in observance of Columbus Day, Manager Joaquin J. Payne announced. Banking hours were extended until 6 p. m. last night instead of the usual extension on Friday nights.

Payne stated that this practice will be followed in the future when a legal holiday falls on Friday.

ARTHUR WIESENBERGER, S. F. financial analyst, home from Europe—"Only the Swiss have a living standard comparable to ours. The U.S.A. is still the land of milk and honey."

Cagers Lose Two Games To Fremont

Cage coach Bert Rbinson's C and D squads dropped a double header to the Fremont Indians last Thursday afternoon on the local courts, 30-16 and 29-20.

The lightweight D's took an early first quarter lead and held it until the score at the end of the first period stood at 6-4. The Indians, veterans of five contests, closed the gap in the second period to bring the half-time score up to 10-all. A more experienced Indian five pulled into the lead during the second half of the contest to come out on the long end of a 20-29 tally. High point man for the locals was Arnoud with a total of eight points, while high scoring honors for the game went to Fremont center Nose with 11 swishers.

Robinson liked the play of Arnoud and Manriquez in the forward spots, and praised Nizawa, center who took Tuttle's place.

The C's fate was less honorable than that of their lighter brothers as the Indians took an early lead to hold it all the way with no threat from the Buc squad. Fremont center Anemoto took high point honors while Andrews led the Buc scoring from his guard position with a total of five tallies.

Robertson praised the work of Indian forward Mathieson, saying that he really played for his team. On the Buc squad, Robertson liked Yates at the forward spot and Duarte and Andrews in the guard positions. "The loss of Hoover in the weigh-ins hurt us during the C tilt," the Buc mentor lamented, "but Tokinaga took over the center duties admirably. What really beat us in both games was our comparative inexperience in dealing with a team like Fremont. Our defense was good, but we lacked an offense altogether."

Despite their 20-29 loss, the tall blond coach stated that he was proud of the D's, saying that they did much better than he thought they would.

In a practice game Tuesday afternoon, the 110's and 20's both lost games to Willow Glen. The lightweights, who showed better than the 20's, found themselves on the short end of a 35-14 score. A slow start and failure to find themselves in the first half prevented the Bucs from capitalizing on a second half comeback.

The 20's took a 44-20 beating after letting their opponents rack up a large lead before they could score.

High man for the 20's was Willow Glen center Gusman with 15 tallies, while Sutterfield held up the honors for the locals with a total of 6 points. High man for the 110 game was Willow Glen center Barranti with 10 points followed by Manriquez of Campbell with 8 tallies.

Robertson stated that Willow Glen had a good defensive ball club in both games. The Campbell cage mentor was drilling the boys in offensive play this week in preparation for the meeting with Santa Clara. "We've got a good defense," he said, "but we need more practice in offense."

Bucbabes Dumped By Los Gatos, 20-7

Two fumbles and a pass interception cost the Campbell lightweights the opening grid tilt of the season as they lost to Los Gatos, 20-7 last Thursday on the Los Gatos gridiron. Los Gatos pushed over the first score in the second quarter after recovering a Buc fumble. Ray Mesa, Los Gatos half, punched 17 yards to set his team in scoring position on the Buc six where he went over from the two yard line two plays later. The Cats bucked over the conversion.

In the closing minutes of the half, the Bucbabes recovered a Los Gatos fumble on the Cats 47 and Halfback Dick Bradford took a hand-off and went all the way down the middle to score. Campbell was penalized for an offside on the try but bucked it over in the next play to tie up the ball game.

The Gatans threatened in the third quarter when a Campbell fumble on the midfield stripe set up a Los Gatos drive which pushed down to the Buc 14 before an offside penalty and a tightening Buc line stopped them.

The Bucs were forced to punt on the exchange and a penalty drove their opponents back to their own 35 when Horn broke over his own left end to go all the way for another Cat score. The try for extra point failed and the game stood at 13-7.

The Cats threatened again after a Campbell fumble set the Los Gatos team up on the Buc 14, but a 15-yard penalty stopped the chance.

Campbell took to the air deep in their own territory only to have Los Gatos Half Mesa intercept on the 14 and run it over for the final score. Horn bucked over for the extra point, making it 20-7.

Sport Scenes

By "Mac"

A gray cloud of gloom is hanging over the athletic department of Campbell High with only Junior Morgan's JayVees showing a silver lining. With the exception of the JayVees, who romped over Willow Glen last Thursday by a 25-0 score, Buc teams are still seeking their first win. The Buc gridmen will meet a strong undefeated Comet team this afternoon along with the B's who dropped one to Los Gatos last week. Bert Robinson's cagers, while showing good possibilities in the 110 group, have yet to break into the win column.

Bright spot in the whole picture is the performance of Morgan's JayVees last Thursday against an outmanned Willow Glen club. Although the first half was played principally in WG territory, it was five seconds before tae half-time gun sounded before the locals pushpushed over their first tally.

In the varsity department, Muir claims his boys can do it if they will play a top notch contest. A strong Comet line will try to prevent any long gains by the locals, and Sonny Azcarate, Comet passing QB, will be on deck to pepper the Bucs with passes. The Comets have a fast, quick-starting backfield headed up by Hernandez and Tanabe.

Muir will try Brentlinger at guard in Dave Allen's spot, and is eyeing Larry Pereira for a spot in the backfield.

Back in the hills, Los Gatos is in for their two toughest contests when they meet Fremont and Mt. View in the next two weeks. The Indians, rated as one of the top teams in the SCVAL, are sure to put the Cats through a test this afternoon.

Orchids go to Duane Beaubein's little shavers over at the Grammar School for their victory over Jefferson last week. The A team romped over a thoroughly outclassed opponent, 18-6, while their little brothers had even less trouble in stopping the Jefferson "B's" by a 24-6 score. Hero of the "A" game was Marshwell James with his fine field generalship and accurate passing attack. Jim Keech starred for the B's with two TD's, and Bruce Viles and Gregg Hoffman both snapped off a TD. The locals took an early lead in both contests and Jefferson never threatened them.

Campbell To Meet Lick Comets Today

The Campbell griders have been going through a series of extensive scrimmages this week in an attempt to whip them into shape for their battle with the undefeated Lick Comets this afternoon. Coach Muir has been giving particular attention to the blocking and ball handling department in an effort to prevent the reoccurrence of the costly fumbles such as set up several scores for the Padres last week.

"We can win this one, Muir said, but we'll have to play a top ball game all the way to do it. Lick has one of the strongest, if not the strongest, teams in the league. They have a good line and an excellent passer in Sonny Azcarate. Their fullback, Art Hernandez, has shown himself to be a fast tricky runner with lots of speed on the quick opening plays."

Lick, who rolled over San Jose Tech last week, 27-0, and defeated San Leandro the week before, will have plenty to show the locals when they try to break into the win column this afternoon.

Although all the pre-game forecasts picked a win for the Comets, the Buc coach still had hopes of winning the contest. "But," he remarked, "only if we play our best brand of ball. We've got the team and the players to do it, but they must show better than they have to date.

SPARTANS FACE DONS FRIDAY

San Jose State faces the unenviable task of confronting potent U.S.F. for the second time this season when the Dons and Spartans open the San Jose home slate at Spartan Stadium at 8 p.m. Friday.

The unbeaten and high-scoring Dons trounced the Spartans, 39-2, in the season opener at Kezar Stadium, but the Golden Raiders have rebounded to force Stanford to the limit before bowing, 26-13, and thumping Fresno Saturday night, 32-6.

Again for the Spartans it will be a problem of stopping Ollie Matson and Ed Brown and their highly capable and experienced USF mates. Both Matson and Brown have enjoyed enormous success in past Spartan games.

Since 1949, in three games with San Jose, Matson has carried the ball 66 times for 407 yards, has received four passes for 52 yards, returned six punts for 89 yards, four kickoffs for 57 yards, and has tallied six touchdowns, two in each game.

In these same three games, Brown has completed 25 passes in 44 attempts for 359 yards and five touchdowns. In addition, the USF quarterback has picked up 38 yards on the ground, received one pass for nine yards, kicked nine extra points and averaged 37 yards in punting. Without question, Matson and Brown are anathema to the Spartans.

Coach Bob Bronzan's lads have shown indications of considerable improvement since that opening debacle. The young linemen on Bronzan's squad have begun to acquire a little poise and their aggressiveness has picked up considerably.

The addition of Lynn Aplanalp has been a shot in the arm to the Golden Raiders. In two games, the Galloping Alp has hurled 23 strikes in 31 attempts for 286 yards and two scores. His completion percentage is at the record level of .742.

Aplanalp's passing and the running of Frank Morriss helped the Spartans to set five school records against Fresno. Morriss caught seven passes, to break Billy Wilson's old mark of five in one game and Halfback Bob Osborne gained 115 yards by catching four passes. This break's Wilson's mark of 111 yards established last year against Stanford.

Morriss tallied four times and his 24 points eclipsed the record of 19 made by Gibby Mendonsa last year against Montana. Aplanalp and Jerry Hamilton completed 18 passes to break the team record of 16 completions against St. Mary's in 1950.

Bronzan held Guard Vern Vallercamp, Halfback Orland DiCiccio, Guard Dempsey Farrier, Fullback Bob Amaral, Guard Bruce Halladay out of the Fresno game. It is hoped that all but Halladay will be back Friday night.

ED WYNN, dean of comedians, in L.A.—"There is no such thing as an old joke. If it is still laughed at, it isn't old. If it's not laughed at, it isn't a joke."

LEGAL NOTICE

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA. IN AND FOR THE COUNTY OF SANTA CLARA.
No. 81,659

Action brought in the Superior Court of the State of California, In and For The County of Santa Clara, and the Complaint Filed in the Office of the Clerk of Said County of Santa Clara.

AUDREY M. BROOKING,
Plaintiff.
vs.
ROBERT EDWARD BROOKING,
Defendant.

THE PEOPLE OF THE STATE OF CALIFORNIA send greetings to ROBERT EDWARD BROOKING, Defendant:

You are hereby directed to appear and answer the Complaint in an action, entitled as above brought against you in the Superior Court of the State of California, in and for the County of Santa Clara, within ten days after service on you of this Summons, if served within this County, or within thirty days if served elsewhere.

And you are hereby notified that unless you so appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the Complaint as arising upon contract, or will apply to the Court for any other relief demanded in this Complaint.

Given under my hand and the Seal of the Superior Court of the State of California, in and for the County of Santa Clara, this 4th day of October, A.D. 1951.
E. T. McGEHEE, Clerk.
By A. J. GALLO, Deputy Clerk.
MARTIN S. WALSH,
Attorney at Law,
919 Bank of America Bldg.,
San Jose 13, California.
Campbell Office:
200 East Campbell Avenue.

NOTICE TO BIDDERS

The Board of Trustees of the Campbell Union School District will receive sealed bids up to and including 8:00 p. m., Thursday, October 25, 1951 at the Administration Building, 111 N. Third St., Campbell, California, for:
FIVE NEW PIANOS
according to the conditions as set forth on the Bid Form and Specifications which may be secured at the Administration Building, 111 N. Third Street, Campbell, California.

Bids will be opened at or about 8:00 p m., October 25, 1951 at the Administration Building, 111 N. Third Street, Campbell, California.

The Board of Trustees reserves the right to reject any and all bids and to waive any informality in any bid received.

BOARD OF TRUSTEES
CAMPBELL UNION
SCHOOL DISTRICT
WALTER W. WILLIAMS
CLERK

Moorpark School Grounds Undergo New Improvements

Moorpark School offers a new appearance to area residents as a result of recently completed improvements on the grounds. A redwood fence now encloses children's play areas at the front of the school and protects them from passing traffic. An unusual type of construction gives the fence the same appearance from both sides. Driveways have been oiled and surfaced, and a walk from the bus loading area to the school entrance completed. Superintendent William C. Henley says some landscaping will be done during the Fall and Winter months.

MRS. WILSON RETURNS

Mrs. NORA WILSON of 72 S. Fourth Street, returned last Monday night from a week's visit in Sacramento where she visited her sister, Mrs. MILTON CALLAS of Athens, Alabama. At present, Mrs. Callas is taking care of a new grandson, but plans to visit with Mrs. Wilson before returning home.

Bucs Overrun By Carmel Padres

A series of deceptive formations and a fast backfield spelled defeat for a bewildered Buc team as the Carmel Padres rolled over them, 27-0 on the local turf last Friday afternoon. Buc coach Muir stated that his boys "just failed to click. We lacked aggressiveness and the Padres took advantage of the fact."

The first Padre score came following a Carmel recovery of a Buc fumble on the kick-off. Henry Overin caught a pass and ran 55 yards to cross into pay dirt for the first tally. The try for extra point failed and the score at the end of the quarter stood at 6-0.

In the second period, Gene McFarland made a 34-yard end run to score again. Overin's kick for the extra point was good. With the clock running out at the end of the first half, Byron Branson took a short pass and romped 25 yards for the third TD. The try for extra point was good and the score at end of the hal totaled 20-0.

The third quarter saw Bob Updike, star Padre halfback, make a 45-yard run down the sidelines for the final TD. The try for extra point was good and the final score stood at 27-0.

Campbell failed to penetrate deeper than the Carmel 38 all during the contest.

Muir stated that the Buc club showed a decided weakness in pass defense and blocking. "We played a far superior game against Lincoln last week," he lamented. "We missed tackles that we should have made and our blocking left much to be desired."

The Bucs play the undefeated Lick Comets today on the Lick turf.

SERVICE NOTES

GETS INFANTRY BADGE

Pfc. Donald J. Hughes, husband of Mrs. Jeanne Hughes, 41 Gilman, Campbell, recently was awarded the Combat Infantryman Badge for excellent performance of duty in combat with the 7th Infantry Division in Korea.

The badge, a symbol of the front line fighting man, distinguishes the combat soldier from rear area and service troops. It consists of a miniature replica of a Revolutionary War flintlock rifle mounted on a blue background and superimposed on a wreath.

Hughes is serving as a driver with the 7th Infantry Division Headquarters 32nd Infantry Regiment. He attended Campbell High school before entering the Army on January 16, 1951.

IN TRAINING ACCIDENT

Don P. Morley, son of Mr. and Mrs. John P. Morley, 415 El Patio, lost a hand last week in a training accident with the U. S. Army in South Dakota. Morley was cleaning his rifle when it exploded. Two other men in the adjacent area were killed by the blast.

Missing Girl In San Diego

Word was received this week that Betty Allen, 16-year-old Campbell girl missing for two weeks, is staying in San Diego where she plans to move to Kansas within a few days. The girl wrote her husband, Thermon Herrill, telling him she was staying in San Diego and informing him of her plans. She had been separated from her husband for several weeks.

The girl was reported missing by her mother Mrs. K. J. Allen, of 149 Dillon Way on September 24 when she left a note for her mother saying that she was going to San Diego and said that she would write in a few days. Her mother reports that she still does not know the location of the girl beyond the fact that she is residing somewhere in the city of San Diego. She stated however, that as soon as she found out her address, she would seek her return.

Neighbors reported that they saw Betty enter a cab on the morning of her dissappearance. The sheriff's office contacted the cab company and the driver but could learn no more than that the girl had told the driver that she was going to San Jose for a few days to stay with friends and then continue on to San Diego. The cab driver left the girl at the Campbell bus depot.

First word of the girl came from her mother-in-law who stated that her son had received a letter from Betty last Saturday.

Two New Classes

Announcement was made this week of the addition of two new classes to the Evening School at the Campbell high school. Classes will consist of a sewing class to begin on October 15 from 7 to 9 p. m. in room 40 and a cooking class to start October 16 in room 44 during the same hours.

Both classes will be taught by Mrs. J. Davis, former home economics instructor for the Southern California Edison Co. School officials state that Mrs. Davis is one of the outstanding home economics instructors in the state. Her classes are taught by the demonstration method rather than by lecture. Registration for classes will take place on the opening day in the classroom.

Campbell Church Members Attend District Meeting

Sixteen members of the Campbell Methodist Church attended the first district meeting of the Pension Fund Campaign, held at the Community Church of Santa Clara on Friday night, October 5. The women of the Santa Clara church prepared a dinner for those attending.

Mr. H. P. Demand explained the plan, assisted by District Supt. Dr. Roy Wilson. General chairman of the district, Mr. George Atkinson and vice-chairman J. D. Crummey were introduced.

Those attending from Campbell were Rev. Herbert Neale, Mr. and Mrs. William Lloyd, Mr. and Mrs. H. E. Burke, Mr. Les Titus, Mrs. George Miller, Mr. and Mrs. Galen Thompson, Mr. Sam Robinson, Mr. Robert Hicks, Mr. Howard Guilbert, Mrs. R. J. Flagg and Mrs. Frank Richardson.

Safety Council Announces Safety Program Series

The Santa Clara County Safety Council today announced that its Speakers' Bureau is prepared to deliver programs before interested groups any place throughout the county.

"This is in keeping with the new county-wide safety program recently undertaken by the Council," said Kevin Twohy, managing director of the organization. "Under this program as plans now stand, it is hoped that each community will participate in this unified safety campaign through its own safety committee, working in liaison with the county's safety council."

Commenting on the programs offered by the council's speakers' bureau, Twohy said: "This committee is composed of a number of trained men and women who are prepared to deliver talks, with or without accompanying safety films, on all phases of traffic safety. Traffic accident prevention, both in our cities and on our highways in this county have become a problem of major proportion, and we are anxious to make the facilities of the county safety council, through its Speakers Bureau, available to any service club or other interested organization at any of their meetings."

"A card addressed to the Santa Clara County Safety Council, 381 West San Fernando Street, San Jose, will bring an immediate response to requests for speakers," said Twohy.

Home Insulation For Every Need

Granular Fill Insulation
Zonolite is forever fireproof—termite-proof—vermin-proof—rot-proof—mold-proof—and will outlast your home. It is easily installed in attics and sidewalls—not only keeps homes as much as 15 degrees cooler in summer—but also reduces winter fuel bills up to 40%.

Plaster That Insulates
Zonolite plaster aggregate, used in place of sand, provides fireproof walls and ceilings that insulate against heat, cold and sound. Has four times the insulating efficiency of ordinary plaster—retards the spread of fire four times as long. Saves tons of needless weight. Resists cracking from settling. You can even drive picture nails into it without chipping walls.

Concrete That Insulates
Makes warm, dry ground floors in basementless homes. Can be covered with conventional floorings. Ideal for radiant heating. Particularly desirable for basement recreation rooms. Ask for details.

New Auto Supply Store To Open

Announcement was made this week of the opening of a Campbell branch of the American Auto Supply Company of San Jose at 262 East Campbell Ave. The company is owned by Dick Smith and Nickey Weiss and will be managed by Bob Kelly. Opening of the store is set for November 4 and Kelly stated that the new business will engage in some wholesale trade and will feature supplies and equipment for the "backyard auto mechanic."

Kelly, who came to this area from Lake Tahoe several years ago, resides in Cambrian Gardens. He is married and has two boys. During the war, he served six years in the Pacific theatre with the U. S. Navy. He stated that the owners of the company chose Campbell because they were impressed with the potentialities of the surrounding area.

The new store will be open six days a week from 8 a. m. to 6 p. m.
